# STREET SAMURAI C · A · T · A · L · O · G

When the going gets tough, the tough go shopping.

You're the ultimate fighting machine. A predator-for-hire in the savage, urban world of Shadowrun. The tools of your trade are airfoil grenades, form-fitting body armor, enhanced reflexes, and maybe a rangefinder for your cyber-eyes.

Whatever you need to get the job done, you can find it here.

It won't be cheap, and remember to watch your back...but

you already do, otherwise you'd be yesterday's news.

## DNA/DOA

From Dave Arneson,  
co-creator of  
Dungeons & Dragons®

It began as a simple datasteal, but somewhere it went wrong, and now you've lost the goods, lost your contacts, and your only chance for survival is to get out of Seattle—fast. There's just one problem: the only way out leads through the heart of the deadly Ork underworld, a dark labyrinth beneath the city where your first wrong move may be your last.
